We are experiencing technical difficulties, and information about your case is not currently available. We are working to fix this as quickly as possible. This banner will be removed once the issue is fixed. You can still submit applications. Thank you for your patience.	
We are experiencing technical difficulties, and your previously submitted documents are not currently available. We are working to fix this as quickly as possible. This banner will be removed once the issue is fixed. You can still review documents due and submit documents on this page. Thank you for your patience.	
We are experiencing technical difficulties. If you have an EBT card, your balance and card information is not currently available. This will not affect your benefits. We are working to fix this as quickly as possible. This banner will be removed once the issue is fixed. Thank you for your patience.	

We are experiencing technical difficulties. If you are in one of the Medicaid Buy-in programs, information about your premiums is not currently available. We are working to fix this as quickly as possible. This banner will be removed once the issue is fixed.

To learn more or make a payment, contact Buy-In Customer Service at 800-711-6994 (State Relay: 711). Thank you for your patience.
