Banner 1 (10/16/25)

(Platform(s)) Banner title: SNAP benefits for November 2025 are delayed (XX characters of 100 character limit)

Banner body: Because of the federal government shutdown, the U.S. Department of Agriculture (USDA) has not released the funds that states use to pay SNAP (food assistance) benefits. This means Colorado is unable to issue the close to \$120 million of November SNAP benefits to clients until the federal government restores funding.

We will update this banner as soon as we have new information.
