BHA partners with Community Mental Health Centers (CMHC) to provide support for people who need help paying or are uninsured. Find a CMHC near you. You can also register now using information you already submitted. If you don't want to now, you can register later by selecting 'Manage my benefits' in the top navigation. You must then select 'Register for behavioral health services'.

I have agreed to register everyone listed on this form for BHA Community Services. By signing this BHA Community Services registration form electronically, I certify that I have reviewed this BHA Community Services registration form; that I understand and agree to the Rights, Responsibilities and Penalties; and that under penalty of perjury, I certify the information I have given is true. BHA Community Services refers to the subsidized help that BHA provides for people who don't have insurance or need help paying, and who meet existing income and clinical criteria to receive BHA Community Services. BHA Community Services are not Medicaid or an insurance plan. They don't give you the same coverage as insurance does. BHA funds a variety of services, but availability is not guaranteed in all locations. • I understand that while BHA funds a variety of services, availability is not guaranteed in all locations. • I understand the questions and statements on this BHA Community Services registration form. • I have read and understand my Rights & Responsibilities in the box above. • I understand and consent to the use of my case data from my previously submitted application. • I understand the penalties for giving false information or breaking the rules. • I understand that an electronic signature has the same legal effect and can be enforced in the same way as a written signature.	

Someone in your household was not approved for Health First Colorado (Colorado Medicaid). Did you know you can still get help with mental health and substance use disorders by reaching out to your regional Behavioral Health Administration Service Organization (BHASO)?
