Contact information for your household.	
Trusted representative and Secondary PEAK account holder	
Add or edit a Trusted representative or a Secondary PEAK account holder.	
You can update your household's communication preferences on this page. To update your username and password, visit the Login information page.	
Edit or add communication preferences for other adults in your household.	
You must complete the verification to update your email address or mobile number. We will send you a code to verify.	
Additional phone number (optional)	
How do you want us to contact you?	
This includes alerts when you have a new letter in your PEAK Mailbox, updates about your submissions, and other helpful information about your benefits.	
Some programs will continue to mail you letters that may affect your eligibility even if you request digital communications only. You will not receive letters until approved for a benefit or program.	
*Please select at least one option.	
If you select to receive texts, you agree to these Terms and Conditions.	
You may get texts from 66596 or 267325 depending on what programs you have.
